

The Yosemite Hwy 120 Chamber of Commerce is seeking input to support economic development for the Hwy 120 corridor. We need to gather information that will help your Chamber generate a 3-5 year plan. Your inputs will contribute to our objective to improve the Hwy 120 corridor and increase the experience for our visitors, and generate increased business for our membership.

**Please take 5-10 minutes and respond to the questions below.  
Please return via hard copy or email no later than March 14th.**

Please be as complete as possible. Your answers will be used by your Board of Directors, in preparing recommendations to seek funding for improvements and programs.

Your responses will remain confidential and will not be shared individually with anyone outside the Chamber Board of Directors. Only the collective results of the survey will be published.
